

# MIRAE ASSET ESG ASIA SECTOR LEADER EQUITY FUND

Share Class K in USD

## INVESTMENT OBJECTIVE

The primary objective of the Mirae Asset ESG Asia Sector Leader Equity Fund (the "Fund") is to achieve long term growth in the share price through capital appreciation, measured in US Dollars, of the underlying equity portfolio which promotes environmental, social and governance (ESG) criteria. The Principal Investment Manager will seek to achieve the objective of the Fund by investing mainly in equities and equity related securities of sector leading companies domiciled in or exercising a large portion of their economic activity in countries (including, but not limited to, territories and special administrative regions) of Asia (ex. Japan) such as Korea, China, Hong Kong, Taiwan, Singapore, India, Malaysia, Indonesia, Thailand and Philippines but additional opportunities are also sought, whenever regulations permit, in any of the emerging markets in Asia. The Fund promotes environmental, social and governance characteristics and is thus classified as a financial product falling within the scope of Article 8 of the SFDR.

## RISK INDICATOR

The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movements in the markets or because we are not able to pay you.

We have classified this product as 5 out of 7, which is a medium-high risk class.

This rates the potential losses from future performance at a medium-high level, and poor market conditions will likely impact our capacity to pay you.

**Be aware of currency risk. You will receive payments in a different currency, so the final return you will get will depend on the exchange rate between the two currencies. This risk is not considered in the indicator shown above.**

For other risks materially relevant to the product which are not taken into account in the summary risk indicator, please read the Fund's Prospectus available at [am.miraeasset.eu](http://am.miraeasset.eu).

The Fund does not include any protection from future market performance so you could lose some or all of your investment.

Please refer to the Prospectus and the PRIIPS KID/UCITS KIID for further information on the risk of investment in the Fund. The Fund is actively managed and references the benchmark by seeking to outperform it. There are no restrictions on the extent to which the Fund's portfolio may deviate from the benchmark. ©2024 Morningstar. All Rights Reserved.
